

Rule Thirteen: Emergency Committee

- In addition to the League Management Committee we also have our Emergency Committee which acts on urgent matters such as any of those above. All meetings should consist of a quorum of at least 4 people from the Emergency Committee. All issues will be looked at in a fair and measured way. **The sanctions imposed will be considered on each individual breach of the Code of Conduct.**
- The recipient of the sanctions will have the opportunity to make an appeal against the Emergency Committee's decision to the executive team (Chairman, Secretary and Treasurer). If the executive team consider that the appeal is justified they will meet with the person and review the decision. The decision of the executive team is final in all cases.

Rule Fourteen: Managers Guide

- It is a requirement of every Manager and Assistant that they read and abide by the rules detailed within:-

The Managers Guide to Morden Little League Football

Rule Fifteen: Managers Decorum

- It was agreed that considering the ethos of Morden Little League and that the children playing are of mixed ability, that it would be appropriate for either a Manager or an Assistant Manager to stand on the same side as the parents/spectators, if they believed it would give the children in their team some guidance which will hopefully help them to progress and enjoy football to a greater degree.
- However Managers and Assistants must ensure that they are not in the way of the Referee's Assistants, they should not run up and down the touchline **and never on the pitch** directly or indirectly influencing, criticising or putting pressure on Referees or their Assistants; encouragement is desired and never unreasonable criticism.

And Finally

The League Management Committee ("the committee") as trustees of the charity that is Morden Little League ("the League" or "MLLF") have the final decision on all matters on and off the field.

The committee may set up and dissolve sub-committees to fulfill specific roles with a level of delegated power to make decisions but in all cases these can be overturned by the committee if it sees fit by a majority vote.

The League will be administered in accordance with its constitution, guidance from the Little League National Executive Committee ("NEC"), the rules of the English Football Association ("the FA") and any relevant statute. All games will be governed by a combination of local rules, NEC rules and FA rules in that order of priority.

Please note that no local rule may conflict with the LLF Rulebook or F.A. Rules
